Research your side hustles list. Who is your target customer? Is there demand for what you'd be offering? Write down the top 1-3 most profitable ideas.

Pick your side hustle. Write down what you want your side hustle to look like in 5 years. How do you want your day to day to look?

Work backward. What are the milestones that need to happen to achieve your dream? How much money do you want to make? What do you need to learn and do?

Break it down into clear goals. Which goals are top priorities? What are the deadlines?

Establish a schedule (when and for how long you'll work on your side hustle) and decide what to work on first. Do it now.
